

MEDIA ALERT

Inaugural Factory Farm Summit Comes to Green Bay

Community members from Wisconsin to New Mexico to North Carolina gather to network, train & call for change in the massive national expansion of industrial animal operations

WHAT: The first-of-its-kind [Factory Farm Summit](#) is a day-long event bringing together nationally recognized & Wisconsin-based industrial factory farming experts to work with citizens confronting the issues & impacts of the nation's concentrated animal feeding operation (CAFO) crisis – and finding solutions for standing up to industrial animal agriculture in their communities.

Organized by the national nonprofit [Socially Responsible Agricultural Project](#) in partnership with Wisconsin's [Midwest Environmental Advocates](#), [Kewaunee CARES](#) and [Farms Not Factories](#).

WHEN: Sunday, September 11, 2016 | 8:00am - 6:00pm CT

WHERE: Radisson Hotel & Conference Center, 2040 Airport Drive, Green Bay, WI 54313

###

Factory Farm Summit 2016 highlights include:

- **Keynote address by Dr. John Ikerd** – “With Factory Farms, There Is No Middle Ground.”
Professor Emeritus, University of Missouri | [author & national expert](#) on CAFOs & their impact
- **The World We Live In: International Trade Agreements, the Farm Bill, Corporate Concentration**
Dan Imhoff, Author of [Food Fight - The Citizen's Guide to the Next Food and Farm Bill](#)
- **Trends in the Animal Agriculture Industry**
Dr. Loka Ashwood, Department of Agricultural Economics & Rural Sociology, Auburn University
- **CAFOs and the Upper Midwest**
Kimberlee Wright, Executive Director, [Midwest Environmental Advocates](#)

ALSO: One-on-one interview opportunities with CAFO experts & community members from across the nation living with & fighting against the rising health, environmental & economic threats of CAFOs in their communities.
