

with the New Mexico Citizens Dairy Coalition

## MEDIA ALERT

# TUESDAY, NOVEMBER 14th: Risky Changes to NM Public Health & Environment On-Tap at State Water Commission Hearing

*Residents & environmental, community advocates bring real-world facts of industrial dairy contamination & local health impacts to Santa Fe; oppose new WQCC pro-pollution water rule proposals*

###

**WHAT:** A public meeting by the New Mexico Water Quality Control Commission (WQCC) to consider amendments to the state's ground and surface water rules -- including some measures that will weaken protections & heightened risks for residents impacted by industrial dairy operations and other polluting industries. Resident testimony & media interviews available.

**WHEN:** Tuesday, November 14, 2017 | 9:00 a.m. MT

**WHERE:** Room 317, State Capitol Building | 490 Old Santa Fe Trail, Santa Fe, NM 87501

**WHO:** -- Impacted residents of New Mexico's "Dairy Row"  
-- Members of the Citizen Dairy Coalition, the community group Rio Valle Concerned Citizens, and the organizations [Amigos Bravos](#) & [Gila Resources Information Project](#)  
-- Representatives of the national nonprofits [Sierra Club, Rio Grande Chapter](#)

---
